****2010/2011 | POLICIES AND PROCEDURES**

1. **Academy Course:** Junior members at the Academy have **3-day advanced** booking privileges for the weekdays and the day before after 6pm on weekends and holidays.
2. Junior Development members will have the same privileges and abide by the same policies as Future Tour members at the Academy. The coaching programs offered will be specific and mandatory.
3. Juniors will conduct themselves appropriately at all times and act as role models and “mentors” for all other junior members.
4. Junior members must check in at the golf shop and identify themselves with their **member’s card** prior to teeing off. For singles the golf shop staff will take your name upon arrival and get you out when space is available.
5. **Practice:** Junior Member range balls **cannot be accumulated** and the balls are to be hit by the **junior member only**. Management reserves the right to suspend/withhold memberships if range privileges are being abused. Juniors are required to return their baskets to the ball machines. Range balls are not to be removed from the range and the Golf Shop staff reserve the right to limit or restrict daily ball amounts (i.e. weather, maintenance).
6. **Short game Practice:** The Short Game Academy is available for practice by all junior members. ‘Jr-Jr’ and Divot members may use this area **only** when accompanied by an adult or qualified mentor. Shag bags are provided by the golf shop and to be signed out for a **maximum 1-hour duration** based on availability. Priority will always be given to instruction classes and the Golf Professionals.
7. **Hazards Restaurant:** Junior members can present their membership cards at Hazards Restaurant to receive a 10% discount off food purchases over \$5.00 for themselves.
8. All of our Memberships are **valid from April through March** – with access for November through March not guaranteed. More details on course availability will be provided each fall and are dependent on weather and facility maintenance.
9. **Power Carts:** A Junior Member **will not** operate a power cart without a valid Class 5 Drivers License & credit card number under any circumstances.
10. **Dress Code** – Athletic wear - shorts/pants should have pockets and proper footwear includes golf or flat soled running shoes. Golf shirts or T-shirt with sleeves (no inappropriate graphics or sayings allowed) are ideal. We reserve the right to withhold privileges due to inappropriate dress.

11. Country Club Golf Access:

Key Elements to Remember:

- Please call no earlier than 7:00 AM on the day you wish to play. Phone calls will not be accepted before 7:00 AM.
- Development players will be permitted to play Saturday or Sunday mornings provided there is a tee time available.
- Development players may use the warm-up range at the Country Club prior to their round of golf for a 15 minute period.
- It is expected that all players who play golf at the Country Club have adequate playing ability and golf knowledge with respect to etiquette and pace of play. If you are uncertain as to whether you meet these policies, please contact your instructor.

****In an effort to ensure fair and equal access and privileges to all our Guests, we politely ask you to adhere to the following policies and procedures, as well as any additional policies posted on the lobby bulletin Board throughout the season. Abuse of privileges may result in membership suspension without refund.**
