

2010 Junior Golf

Dear Parent/Guardian,

Thank you for enrolling your son/daughter in our Westwood Plateau Junior membership program. 2010 is shaping up to be an exciting year for our instruction team. We have specifically devoted our focus on junior golf and player development!

This year we have made a concerted effort to take the junior program to the next level and have decided to take on some new initiatives that we believe will bring enjoyment and athletic development to the game of golf. We have partnered up with the RCGA and their Future Links program to bring in some new programming that is first class in the golf industry.

Westwood Plateau has made an effort to streamline our program and have come up with development levels to take your junior from his/her first exposure to the game all the way to generating scholarship opportunities through our new Elite High Performance Program.

We would like to invite you to a *Parent Information Seminar on Wednesday, April 14th at 7pm* at the Westwood Plateau Golf and Country Club, to introduce you to our new program and to answer any questions that you might have.

All of us are excited to be a part of Junior Golf at Westwood Plateau and we are committed to developing golfers of all ages and abilities.

Sincerely,

Dave Zibrik
