This co-ed program will be a continuation of our "Active Start" program. It will focus on continued skill development in a fun and encouraging environment. Under the watchful eye of our Class A Teaching Professional, the juniors will start to learn to be a functional golfer by playing friendly team competitions. There will be a focus on active movement and how it plays a role in the mechanics of the golf swing. The program will contain both long and short game development in order to get them prepared for the golf season.

Program Outline:

- Age group 6-9 years old
- 4-8 students per group
- 6 x 60 minute lessons
- Clubs provided if needed

Members Rate = \$149 & Regular Rate = \$199
