

Westwood Plateau

Intimate Ceremonies

Intimate Wedding Ceremonies at Westwood Plateau take place in our outdoor Garden space that is surrounded by tall trees, manicured greens and lavish flower beds during the months of mid May to the end of September. As a back up plan, we offer an indoor ceremony space known as the Studio Room.

Wedding ceremonies during the months of October to May take place in the Studio Room

Our intimate ceremonies are created for couples looking to begin their lives together during this period of social distancing with up to 24 of their closest friends and family members.

Any Vendors and Bridal Party members that are standing can allot up to forty-five people.
