

Westwood Plateau

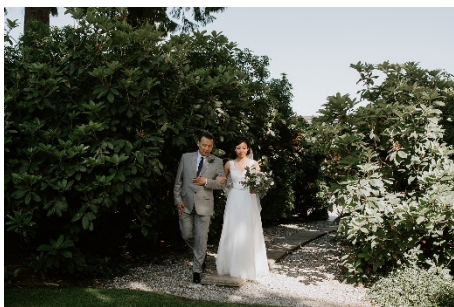

Intimate Ceremonies

Intimate Wedding Ceremonies at Westwood Plateau take place in our outdoor Garden space that is surrounded by tall trees, manicured greens and lavish flower beds during the months of mid May to the end of September. As a back up plan, we offer an indoor ceremony space known as the Studio Room which has a breathtaking view of Mount Baker. Wedding ceremonies during the months of October to May take place in the Studio Room.

Our intimate ceremonies are created for couples looking to begin their lives together during this period of social distancing with up to 10 of their closest friends and family members.

Vendors and Officiant must be included in the total of 10.

\$600.00
